

I am delighted to announce my upcoming Solo Show & Residency in  
**Kaleidoscope Gallery, Sevenoaks Nov 19 - Dec 6th**  
 with a call-out for collaborative work to be included in an installation during the residency.  
 Prep at home, or participate during the show.

**WHY?** It's a small word with such potentially huge questions. We start out as children asking **Why?** Often over and over until we are as satisfied with the answers as we can be.

Now I feel most of my questions are not possible to answer, let alone solve, without universal and unilateral commitment. Unfortunately I firmly believe this won't happen, and certainly not, in my lifetime.

My **WHY?** will be with different perspectives and reasons to others but I hope it may still resonate and potentially provokes more questions **WHY?**

## Call Out for Art

Be included in  
**WHY?**

As explained briefly above my **WHY?** will be different to yours.

Here's my invitation to  
 You, your family, friends, in fact, anyone who wants to be included in an ongoing installation  
 throughout my residency.

Here's an example of one of my many questions **WHY?**  
**Details from** a painting to be shown in the gallery in November.

I hope this triggers some creative ideas...

## Here's How

Example of 1.Cut Out, 2.Silhouette and 3.WHY?^ ©copyright Andrea Coltman 2025

Using an A4 sheet of card or thick paper draw or trace an outline silhouette, cut it out and fill the shape with your **WHY?**\*\*

The card or paper may be suspended as part of the installation, so it needs to keep its shape. It can be 3D, double-sided.

^The filled silhouette can be as abstract or figurative as you wish from drawing, painting, collage, textile, recycled material etc...no limits!!! I can also provide printed outlines to trace.

The only criteria is that you use your imagination. Nothing is right or wrong.

BUT

**Please stick within the limits of A4**

You can create your **WHY?** before the show and drop it in to the gallery from 18th November or create something during the show. I will have examples and card to take away or create in the gallery.

Alternatively you can send your piece to me:

Got more than one **WHY?**

No Problem, No Limits....But only one piece is guaranteed to be included

\*\*if you're feeling stuck simply contact me [andrea@andreacoltman.com](mailto:andrea@andreacoltman.com)...with the subject line **WHY?**

^If you would like your piece returned either collect from the **gallery on 8th Dec by 12 noon** or please include a **stamped addressed envelope**
